RAILWAY CONNECTION.

The all absorbing topic on our streets and in the rural districts is, will we get immediate railway relief, or will we not? To consider and discuss this very momentous question a mass meeting was held in the Town Hall on Thursday afternoon last, and was largely attended by the yeomanry of this district; there was also present a large representation of the leading citizens and business men of the town. But one opinion was expressed by the various speakers, and that was, that something must be done by the Government, and that immediately, to give the people confidence in the future prosperity of the district and that capital expended will not be lost. At present things look very gloomy and everyone is in a state of despondency, and some are already at the door of starvation to whom relief must come, and that very soon. Many of our farmers are also in a very deplorable state, having no seed grain and very little of the necessities for the sustenance of life. This state of affairs cannot long exist. What is to be done? The request of our people for railway connection is a reasonable one, and it behooves the Government to make such arrangements as to assure the people that before the close of the present year this district will have railway connection. The town of Prince Albert is situated in the midst of a rich and fertile district unsurpassed by any other district in Canada for mixed farming, and also lying in the fertile belt through which our great national highway was to pass, and thus many settlers located here, believing that the line of railway would pass through this district, but the route having been deflected, were left some 250 miles or over from the line of road. We, therefore, think this district should receive special consideration from the Government and that aid should be given to some line of railway that would make immediate connection with this district and town. Railway connection, only, will revive lost hopes and give the people confidence in our future development and prosperity. Those with means will then proceed with intended building and improvements; the town will also go on with necessary public works, and thus give labor and work to many who otherwise must receive help from some source to sustain themselves and families. Should the Government not take steps to give us relief by way of railway connection, then our district and town must necessarily become impoverished and depopulated, and farmers and business men who have come here and invested their all will have to turn their backs on years of toil, and with their families seek new homes in other parts, and toil for years to again make the comfortable and happy homes they once had in the Saskatchewan.

INTERESTING TO LADIES.

Our lady readers can hardly fail to have their attention called this week to the latest combination of improvements in that most useful of all domestic implements the "Sewing Machine." As we understand it, a machine for family use should meet first of all these requirements: It should be simple in its mechanism; it should run easily; it should do a wide range of work; it should be as nearly noiseless as possible; it should be light, handsome, durable, and as cheap as is consistent with excellence throughout. These conditions the "Light Running New Home" certainly meets. It has also several important and useful attachments and "notions" of its own, which go far to make good its claims to popular favor. The "New Home" specially recommends itself to purchasers on account of its superior mechanical construction, ease of management and reasonable price. Over half a million have been sold in the last three years, all of which are giving universal satisfaction. This unrivalled machine is manufactured by the New Home Sewing Machine Co., Orange, Mass., and 28 Union Square, New York. See Advertisement in another column.

The concert held in the Nisbet Academy, in aid of St. Paul's Presbyterian Church, on Thursday evening last, was a grand success and reflects great credit on those who took part.

The old bandmen, with one or two exceptions, met in the Town Hall on Tuesday evening last for the purpose of taking over the instruments again and keeping the band going amongst themselves. There are several players among the boys who are competent to lead, and we hope to see the band succeed. It would also help the boys along if people would refrain from throwing cold water on the scheme.

RED DEER HILL.

A. D. Boylan is visiting here for a short time.

The roads are very rough, but will soon improve now that they are drying up.

John Biddome recently lost a valuable colt also a valuable colt of Robt. Gilis died lately.

The snow has nearly all disappeared and with warm weather farmers will commence seeding in a few days.

Robt. English is hard at work at his contract of bridge building and is pushing the work through rapidly.

Wild geese were seen on the 22nd of March and ducks on the 25th. Prairie chickens are not as numerous as in former years.

The school trustees have secured the services, as teacher for the summer term of Miss Cherry, of Island Lake, at a salary of \$225.

Cattle, horses and all kinds of stock that were grazing out all winter are looking well. A number of young lambs are to be seen amongst Thos. McKay's sheep and all appear in good condition.

A temperance lodge has been organized here and the members meet every Friday evening at And. Spence's, who has kindly loaned a building for that purpose. This council is prospering, having already enrolled nearly forty members.

MASS MEETING.

A general mass meeting of the people of this district was held in the town hall yesterday afternoon, which was well attended. The meeting was called to order by Mayor Knowles, who presided. The mayor in his opening remarks called of those who sent in the requisition asking that a meeting be called to come forward and explain its object. After two or three parties had been called on, without response, Mr. MacArthur, in a few words said the posters explained the object of the meeting and that it was for the purpose of discussing the railway situation. Mr. Betts, M.L.A., made a very interesting speech, during which he compared the condition of this district to-day with what it was ten years ago, and showed that it was more prosperous than then today; that the farmers had been steadily losing time and money every year since, all owing to the want of a railway. Some of the speakers got off the usual annexation lingo and tried to show how much better (?) the settlers in Minnesota and Dakota were treated than we here. It has always been a great mystery to us why those men do not go to the country they had so highly; this and other districts could spare them. Capt. Craig made an able speech, he showed how the district was going back for the want of railway communication. In referring to our member at Ottawa Capt. Craig said Mr. Macdowall was doing his best to get a railway in here. Among the other speakers were Messrs. Stewart, Slater, Rev. Dr. Jardine, Bev. Mr. Howard, and Davis, and others all of whom explained the great necessity of railway communication. After several motions and amendments had been read by the chairman and withdrawn, the following resolution was agreed upon on motion of Mr. MacArthur seconded by Mr. Stewart: "That Messrs. Craig, Betts, Davis, Slater, Knowles, Rennie, and MacArthur (chairman) be a committee, and that they be asked to retire and formulate a resolution to immediately telegraph to the Government, asking them for an immediate reply whether we are going to have railway communication, at once or not, such reply to be submitted at a future meeting."

The committee withdrew and formulated the following telegram to be sent to Mr. Macdowall:

"Mass meeting of inhabitants of district met here to day re railway communication. As chairman am authorized by unanimous vote to ask Government, through you: Are we to have immediate railway communication or not. The committee await your answer before taking any action."

The meeting adjourned until such time as a reply could be had from Ottawa.

SCHOOL DISTRICT NO. 3.

The following are the promotions made in one of our public schools at the close of the half year ending March 31:

From standard I to standard II—Jennie McTaggart, Maggie MacArthur, Etta McLellan, Winnie Kerr, Maud Ross, Maud Coombs, James Carter, Bertie Johnson, Willie McKay, Albert Bear, Lawrence Scott, George Erasmus.

Standard II to III—Bella Stewart, Winnie Kerr, Bella McBeath, Willie Dilworth, Percy Pritchard.

Junior standard III to sr. III—Agnes Oram, Mary Goodfellow, Chrissy MacArthur, Christopher Coombs, Fred, Kennedy, Alex. McTaggart, Fred. McGuire, Fred. McLeod, Chas. Pollock.

Standard III to IV—Jessie McBeath, Gertrude Maveety, Thos. McKay, Alice Stewart, John Ross, Sarah Dilworth, Adam McKay, Jane Dilworth, Kathleen Bear, Willie McLeod, Grace Johnson, Robt. Robertson, John Pollock, Jennie Robertson, Geo. Chaffie, Geo. Tremaine, Transferred—Lizzie Gordon, Willie McTaggart.

Standard V to VI—Alex. Campbell, Willard Goodfellow, Robt. McBeath, A. Jardine, Douglas Maveety, Alice Oram, Willie Carter, Jos. Macdonald. Transferred—Thos. McKay, Harry Robertson, Rich. Gordon.

Standard VI to VII—Eddie Jardine, Alfred Oram.

The public examination was held on Friday last and was largely attended. Although the pupils were greatly crowded and inconvenienced by being moved to make room for visitors, the order was excellent. The most important feature of our school is the marked progress made by the pupils since the last examination, which speaks well for the teachers in charge and shows that their labors are directed towards the advancement and progress of those under their care.

A very interesting game of football was played at Lindsay on Monday last between the bachelors and benedicts of that settlement, for the Lindsay flag. There are a few of the old men who deserve honorable mention. Old Joe. Adams, John Foulds and Joseph Pocha, sr., really did well; they seemed to be as supple as acrobats. The young men also did very well, they being the challengers party and felt satisfied at the beginning of the game that they were going to win, but were doomed to disappointment, as the benedicts got away with them by two goals, thus winning the Lindsay flag.

OUR LITTLE SON

Four years old afflicted with a painful skin disease. Six doctors tried to cure him; all failed. Got worse and worse till completely cured by one set of Cuticura Remedies, costing \$2.15.

Our little son will be four years of age on the 25th inst. In May, 1885, he was attacked with a very painful breaking out of the skin. We called in a physician, who treated him for about four weeks. The child received little or no good from the treatment, as the breaking out, supposed by the physician to be lichen in an aggravated form, became larger blotches and more and more distressing. We were frequently obliged to get up in the night and rub him with soda in water, strong liniments, etc. Finally, we called another physician, until no more than six had attempted to cure him, all alike failing, and the child steadily getting worse and worse, until about the 20th of last July when we began to give him Cuticura Remedies, internally and the Cuticura and Cuticura Soap externally, and by the last of August he was so nearly well that we gave him only one dose of the Cuticura Remedies and a box of Cuticura Soap, and he has never been troubled since with the horrible malady. In all we used less than one-half of a bottle of Cuticura Remedies, a little less than one box of Cuticura, and only one cake of Cuticura Soap.

TOWN COUNCIL.

Our civic solemnities were solemnly concluded on Monday evening last to discuss the affairs of the town. His Worship Mayor Knowles sat on the throne and around him were Couns. Woodman, Goodfellow, Donaldson, Sanderson, Mair and Davis. Clerk Stull read the minutes of the last meeting, which were adopted.

COMMUNICATIONS.

Communications were received from Capt. Fish and Lieut. Sprout resigning their positions in the fire brigade; from Secretary Parker a deputation from Fire Company No. 1; from Russell & Davis offering to build and operate a ferry on the river on the following conditions:—A grant of \$200 be given them; the town to build approaches; exclusive right be given for three years. Chairman Betts of the School Board, sent in a communication re taxes due the school district. Auditors Bartlett and Ross sent in their report for 1888.

The following accounts were sent in:—John Macdonald, \$150 for rent of nuisance ground for two years; W. Dickson for digging drain, etc., \$2; John Offord, filling tank \$8.20; McIntosh, Robertson and Stanley for work on roads.

BY LAWS INTRODUCED.

Coun. Woodman introduced a by-law to license billiard and other tables and bowling alleys.

Coun. Davis introduced a by-law to amend By-law No. 8.

PETITIONS.

Chas. Hamilton and others, of Ward No. 2, presented a petition to have a sidewalk laid on River St. from Church to McKay Streets.

The license inspector and constable presented his weekly budget.

MOTIONS.

Couns. Davis and Woodman moved that the resignations of the captain and lieutenant of No. 2 Fire Company be accepted and that the chairman of the Fire, Water and Light Committee call a meeting of the company and have it re-organized. Carried.

By Woodman and Davis that the council place \$350 to the credit of the School Board. Carried.

By Donaldson and Goodfellow that the petition from C. Hamilton, etc., be referred to the Board of Works. Carried.

COMMITTEE OF THE WHOLE.

The council went into committee to consider the offer made for the ferry. The committee rose and reported:—That this council grant a bonus of \$200 and an exclusive right for three years, of the river within the municipality, and to fix the approaches on the south bank. The petitioners to give a guarantee that the ferry will be run in a proper manner and that they will keep the approaches in proper repair. Report adopted.

NOTICES OF MOTIONS.

Couns. Woodman gave notice that he would introduce a by-law to impose a poll tax.

Coun. Mair gave notice that he would introduce a by-law to prevent the burial of the dead within the town limits.

The Court of Revision was fixed for the 1st of June, with Couns. Woodman, Davis, Sanderson and the mayor as a court.

A special committee consisting of Couns. Davis, Donaldson and Goodfellow were appointed to hand over the band instruments to the new band now being organized.

A by-law to amend By-law No. 3 was read a third time and ordered to be signed, sealed and numbered.

The council then adjourned to meet again on Monday evening, April 8th.

APRIL FOOL.

The first of April was pregnant with joy to the greater portion of the people of Prince Albert. The immediate cause of the jubilation of the Reformers was the receipt by the venerable president of the Liberal Association of a telegram, purporting to come from the east, conveying the glad news of the defeat of the Government, on the Jesuit question, by a majority of two votes. On receipt of said telegram not a minute was lost in notifying the faithful and prompt action was taken to secure a candidate of the Grit persuasion for the election, which it was anticipated must take place forthwith. All interests in railway matters was lost. Two gentlemen, we believe, were offered the nomination. In fairness to all parties it must be stated that our Liberal friends were not the only ones

taken-in by the joke, nearly the whole town were fooled, and some Conservatives were a look of disgust on their faces, but as a rule they appeared cheerful and confident, but did not share in the exuberant joyousness of the other party. Some of the Conservatives were pleased to think that the Jesuit Bill would be disallowed. The Liberals were of course more easily gulled than the Tories, as the defeat of the Government has been for years the burden of their prayers and hopes; and to have those hopes and desires so suddenly and unexpectedly realized. Well, we have not heard that any of them went crazy, but fears were entertained during the day that the mental equilibrium of some of them might be unsettled. However nothing very startling occurred until evening, when about 9 o'clock it became known that it was the 1st of April and they had been gulled, when

"Behold a wonder, they who but now seemed
In bigness to surpass earth's giant sons
Now less than smallest dwarfs in narrow room
Throng—; like that Pigeon race
Beyond the Italian Mount."

Quicker than they had emerged in the forenoon they returned to their places of seclusion in the evening, there to await in impatience the overthrow of the Sir John Administration, which may take place on or about April 1st, 1890. *Sic transit gloria priti.*

CLARK'S CROSSING.

Spring ploughing commenced on the 21st of March.

Large flocks of wild geese are constantly passing north.

The ice broke up in the South Saskatchewan here on the 1st inst., being earlier than for many years previous.

The Aroline P. Public School was opened here yesterday with W.J. Skafte, late of Liverpool, Eng., as teacher.

The break in negotiations for the construction of the Regina & L. L. Railway is a severe disappointment to the people in this district. Farming operations are much affected thereby. Considerable of last years crop remains unmarketed. To remove which farmers looked for early railway communication this year. The question should be agitated in all parts of the district, Prince Albert leading off.

GRAND UNION LIVERY STABLE.

Opposition is the Life of Trade.

A First-class Livery, Feed and Sale Stables

We would like to invite the public when in Prince Albert to give us a call. Our stables are the most central in town—next door to Queen's Hotel.

We keep the largest and best Livery and Feed Stable in town.

We have a lot of new horses and rigs—second to none west of Winnipeg—to hire on reasonable terms.

You will always find good, reliable and accommodating men night and day at our stables to attend to your wants.

All our horses are first-class livery horses; can be driven by ladies; particular care has been taken to purchase horses of that class.

You can always depend on getting the best turnout in town at the Grand Union Stables.

N.B.—We do not advertise in one paper to contradict it in another, as that constitutes a falsehood but we keep the best Livery and Feed Stable—and at the lowest prices—in town.
